RE: 2012 Pre-Primary Amendment

RECEIVED
SECRETARY OF THE SENATE
PUBLIC RECORDS
12 DEC -3 PM 2:06

In response to the FEC RFAI dated October 17, 2012, attached please find the amended pages to the 2012 Pre-Primary report.

The contribution from Eaton Corporation Public Policy Association PAC for \$1000 on 1/26/12 was erroneously reported on Line 11 (a) in the original report. This has been corrected. Additionally, there was a \$50 contribution from Citizens for Ciafardini (a local candidate committee), which was not being pulled into the report and has been corrected.

The second point in your letter referenced the committee's compliance with regulations requiring the committee to disclose the identification of all individuals whose aggregate contribution exceeds \$200 in the election cycle.

The Citizens for Josh Mandel Committee has fully complied with the "best efforts" requirements. As required by Federal Law, all of our original solicitations include a clear and conspicuous request for the contributor information and informs the contributor of the requirements of federal law for the reporting of such information. Samples of solicitation materials are provided.

If such information is not provided, a follow up mailing is sent within 30 days requesting the missing information without soliciting a contribution. A pre-addressed return envelope is provided as well as a fax number for convenient return. A sample of this letter is provided.

Additionally, our staff also makes follow-up phone calls as a final attempt to collect contributor information.

If additional information is received after the report has been filed, an amendment is filed.
